7th March 2018

Dear parents and carers,

Times Tables & Toast and Parent Forum Thursday 15th March 2018 at 8.30am

We would very much like you to join us for 'TIMES TABLES AND TOAST' on Thursday 15th March at 8.30am, followed by the parent forum until 9:30am.

You can enjoy a light breakfast with your child(ren) from 8:30am - 8:45am, and when the children go to their classes to start the school day, you are invited to stay for Parent Forum, which includes a short presentation by Mr van de Wiel, our maths subject leader, on the work we are doing on improving the children's knowledge of times tables and their understanding of maths at Knollmead, and how you can encourage and support your children in learning their times tables.

A good understanding of times tables provides an excellent foundation on which children can develop and build their maths skills and enables them to make links and spot patterns in other areas of maths, and you may also be aware that the Government have introduced a times tables test for all children in year 4, to be brought in from 2019.

The session will be followed by the rest of the parent forum meeting. The aim of the parent forum is to ensure that your opinions and suggestions are valued and listened to so that your child's learning experience at Knollmead is as positive as it can be. We would also like to take the opportunity to celebrate and embrace all the great things the school does to ensure they continue.

The parent forum will be hosted by myself, and the agenda is as follows:

- Presentation by Mr van de Wiel.
- Minutes and actions from the last parent forum meeting
 - Homework
 - Outdoor learning opportunities
 - Clubs
 - Phonics support
- Whole school priorities
- Attendance and rewards
- The KFA - an update
- Other queries/requests from parents

We very much value the important links between school and home and I look forward to seeing you on the morning of the **15th March** for this event.

Best wishes,

Mr Tan

Knollmead Primary School is part of The Coombe Academy Trust, a company limited by guarantee (company number 7905433, registered in England and Wales) that has its registered office at Coombe Boys' School, Blakes Lane, New Malden, Surrey KT3 6NU
