Minutes - 17/7/18

13 parents attended this meeting after joining their children for breakfast. Mr Tan thanked everyone for attending and went through the highlights of this year – reflected in the attached PowerPoint presentation.

Mrs Terrey was invited to speak about the KFA and the fundraising undertaken throughout the year.

Mr Tan opened the meeting up to the parents and asked if they had any ideas or suggestions for the future. One parent suggested that as an alternative to cake sales that perhaps the KFA could run a 'tuck shop' selling sweets and maybe items of stationery.

Mr Tan and Mrs Terrey agreed that this was a very good idea and will look to implementing this in the next school year.
