

Year 4 - Autumn Term 1 - Homework

I am Warrior

Choose a task to complete as homework once a fortnight. You **MUST** hand a piece in **every other Monday** and one of the pieces you have chosen over the course of the term **MUST** be the Etymology task. We will display them in the classroom at the end of this half term to show the rest of the school and your parents, so make sure they are beautifully presented.

What are you missing about Italy whilst you are in cold, wet Britain?</p> | <p><u>Writing - Etymology</u></p> <p>Using a piece of A4 paper create a 'word tree' for the root word 'milli'. Find all the words with the root word 'milli' in them. What does each word mean and what type of word is it (adjective/verb)? What do you think 'milli' means? The word tree should be like the one we have created in SPAG.</p> | <p><u>History/DT</u></p> <p>Investigate Roman OR Celtic shields.</p> <p>Find out what the shields were made of and write a few sentences to show what you found out about what they are made of, what pictures they had on them and their shape. Now either draw a design for a shield of your own, or make it out of cardboard.</p> | <p><u>History/Art</u></p> <p>Investigate Roman OR Celtic coins.</p> <p>What sort of patterns or pictures did these coins have on them. Draw some examples and explain what the pictures on the coins are. If you would like to, you could try to make your own coin out of modelling clay.</p> |
